

*Our Taught neckline bows out to make it possible to see the baby while nursing.*

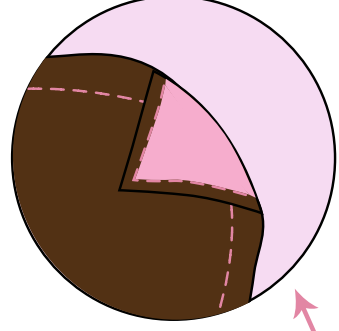

*Our nursing covers are made to naturally conform to offer any sized mom the best and most discreet coverage. Our top corners are rounded to hug your body and provide the perfect coverage.*

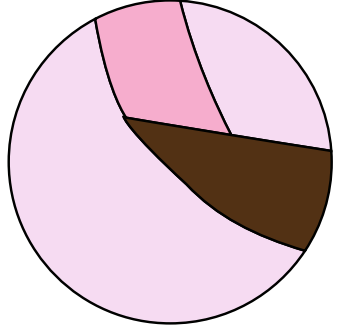

*Adjustable neck strap that can be adjusted to your preferred length*

*Our original neck adjustment clip allows you to pick the perfect length and remove the cover without having to adjust with each use! It's also pretty cute too!*

*Both corners have a jersey pocket that can be used hold our matching burp cloth or to double as a wipe.*

*The Peanut Shell Nursing Cover is a one size fits all cover. All covers are made from 100% cotton and are machine washable*
